

Thank you for participating in the first of hopefully many junior division tournaments. We would like to thank all of you for participating. The kids had a good time and if you could have heard the adults, they were having just as good a time as the kids. We put the juniors divisions on the fly just prior to the tournament and the 19 bowler turnout was quite a success. A good time was had by all as we also had kid's music playing over the speaker system. We hope to get more divisions next year as we pretty much want to keep the divisions by age... if we get enough for a bumper bowling division we may even look into that. See you next year!
