

This is the first year we staged a Women's Team event and it was an exciting finish. After 1 game, the standings were pretty bunched up with Team Lori Yamasaki leading by a few pins. Scores heated up as Koga Bookeeping took the lead by 4 pins over TL. Pasadena Nisei remained in the hunt only about 20 pins back in striking distance. Everybody wanted to win as the scores really heated up as TL shot a whopping 872 and BARELY held on to win as Koga Bookeeping came back with a great 836 and held onto the silver as Pasadena Nisei poured in an 808 , but it was just short taking the bronze.
