

2009 Annual Reno Nisei Invitational Tournament

Dear Bowlers:

Welcome to the 32th Annual Sacramento/Reno Nisei Invitational Tournament. Your participation and support continues to make this an enjoyable event.

For the seniors, we have a separate prize fund for senior team and senior mixed doubles. If you signed up to bowl in the senior events, the schedule reflects "Sr." next to your name for mixed doubles and "Senior" under the team name.

Every bowler must have a verified average signed by an Association/League Secretary prior to check-in. A bowler substitution and/or replacement is also required to have an average verification. If you mailed your average verification and it is not reflected in the schedule, be sure to contact the tournament committee prior to the start of the tournament. A bowler without a verified average is required to use 210 for participation into this tournament.

Again, we will have two high game pots, a scratch pot and a handicap pot. The winner of each game will be announced and paid after the third game in each squad. Each bowler will be asked to present proof of identification and sign for the pot winnings.

If have a change to report, please e-mail or call Jim Matsumoto at jsmats@att.net, (916) 392-5212 before July 18, 2009. Thank you for your participation in the tournament. We hope you have a great time and we look forward to seeing you soon!
