### Notes:

\* **Sansei Bowlers we are as usual having our Sansei end-of-the-season potluck, we would like each team to select at least one item to bring to the potluck. Since this is by team Please make sure you bring a good quantity of food. You can all easily chip in 5-10\$ per person and be able to buy something... Since the main dish is the most expensive , a team bringing a main dish is only required to bring one dish, but may bring more if they like. A team signing up for something other than a main dish need to make sure they bring a lot food or sign up for another dish in a different section.**

\* **We have had many people in the past bring some good food, so if you also want to bring some extra food, please feel free. Everybody has been quite generous in the past as we normally have quite an abundance of food!**

\* **Feel free to bring your specialties you like to cook at home , or for you non-cookers , there is always restaurants that have half trays of food that is priced pretty well... check out COSTCO and RALPHS too!**
